Review and Approval of Minutes:

No minutes for March to approve—Lisa handed out copies of subcommittee reports

ASC Treasurer's Report: Report read by Norman T.

"I'm an addict named Norman. My report for the month of March. We had a beginning balance of \$2063.11 of which \$1300 is for our budget. We had \$1169.09 in group donations, \$959.01 in literature sales, giving us a balance of \$2125.10. Our expenses were: Verizon \$3.81; Public Storage \$85.80; Rent \$80; Literature Committee \$22.90; Long Term Commitments \$35; Activities \$70; Riverside Behavioral Center \$15; NAWA back ordered literature \$509.15; Atlantic Classic Self Storage \$37. Which leaves a new balance of \$3329.55. Many of our sub-committees have now reached there cap for funding. I'd like to also point out that we had to pay for two storage facilities in order to move our archives, literature and activities material. Our new facility is less expensive than the old one. With a balance of \$2338.55 available after budget items are funded. We have \$1140.14 in unpaid overdue literature orders. If we pay these our balance with be \$1198.41. Which we can donate to area. However I know that Public Relations mad a motion to get a check for printing of new meeting lists. There has been discussion as to how many that need to be printed, how the PR chair choice to increase the number of the last printing and exceeded the amount of the check requested and someone had to pay the difference out of pocket. I am sorry that I cannot provide everyone with a report. Norman

RCM's Report: Kyon S. absent

VRCC Report: Lovely present-no report received

"The committee performed its audit of the 36th AVCNA and they are in the green. The taxes were completed and presented. Retrieval of the \$500.00 that was paid to the comedienne that did not perform is to be retrieved by the attorney who will write a VRCC letter requesting same and the VRCC will provide the lawyer with the comedienne's information. Also, to finalize this there can be a garnishment directly to her account. The committee is currently missing one small box of tapes. The secretary will check her inventory. The retreat weekend for the committee is set for May 3-5 2018. There is a current quote for 22 rooms. More to follow. New Dominion area of narcotics anonymous is hosting the 37th AVCNA. Page 13 bid packages to mail. In Loving Service, Lovely H."

Public Relations Report: Report read by Ray D.

"Meeting held April 7, 2018 @ 1:30 pm; Attendees: Ray D, Craig, Lawrence, Burrell, Roger, Paula, Teddy. 12 Traditions read by Lawrence, 12 Concepts read by Paula. Reading of the minutes read by Craig and accepted by Burrell. OLD BUSINESS: asked why didn't get check for meeting list, talk about pone line, phone line is up and running number is 1.800.777.1515, we discussed phone line. NEW BUSINESS: Craig had grievance on member was resolved, meeting list discuss check for \$239.00 2700 Web Master share about future meeting list being as out to be approved with contact or without contact. Motion is number or no #. My commitment is done. Paula nominated for Chair. – In Loving Service, Ray D."

"GRIEVANCE: April 7, 2018 Good afternoon, family. In accordance with the Tenth Concept of NA Service, which states that any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal, I wish to petition a grievance. Over the past few months, my recovery has been affected by the behavior of Roger R. in the PR Subcommittee Meetings. While I understand and appreciate his passion for NA services, I feel he will spend an inordinate amount of time trying to push a personal agenda, and when he doesn't get his way, he will start yelling at, arguing with, and bullying other subcommittee members, creating a toxic environment. I see other members getting upset and then I get upset. This affects my serenity in a negative way, and I signed up to do service to help my recovery, not harm it. At this point in time, my desire to be of service to the PR Subcommittee and the Peninsula Area of Narcotics Anonymous has lessened substantially as a result of Roger's behavior. Robert's Rules Order has protocol as pertains to members who disrupt meetings, which include censuring the member, asking them to leave, suspending them from the meetings, and expelling them from the group. I can only speak for my own personal recovery, and since personal recovery depends on NA unity, Roger's behavior has served to create disunity, and thus, it is putting my recovery at risk. I am requesting that we as a committee take more proactive action in dealing with this behavior. If we are unable to do this, I will no longer be able to continue with my service commitment to the PR Subcommittee. ILS, Craig W."

Webmaster Report: Report read by Craig W.

"In the next 30 days, the website will go back to peninsulaareana.org due to technical difficulties with our current platform. In Loving Service, Craig W."

Area Inventory Subcommittee: Report read by Tim B.

"Greetings from The Area Inventory Subcommittee, We met in December of 2017 and discussed the Budget review that was scheduled for last month. We had to cancel that meeting due to weather; however, we will be hosting the January Budget Review tomorrow at 1:00 at our regular meeting place. (Peninsula Behavioral Hospital). Budget changes will be proposed for your subcommittee. We have one motion this month concerning changes in our policy. In Loving Service, Tim B."

Area Inventory Motion Re: Budget

MOTION

Motion # _____ (NUMBER GIVEN BY AREA SECRETARY)

DATE:

MOTION MAKER: AREA INVENTORY SUBCOMMITTEE 2ND BY: N/A

MOTION:

To do one of the following options:

1. Approve budget proposal (1) keeping Literature Inventory as is.
2. Approve budget proposal (2) removing Literature Inventory which means we will no longer have Literature on Hand after we sell our what we currently have.
3. A no vote does not accept either proposal.

INTENT:

To approve a budget that meets the areas Literature Inventory desires. A no vote would not fund our area website. Our revenue is still well below this \$830 budget but funding has been possible because not all of the funds are not being utilized which reduces the budget burden below the \$830 amount.

This motion replaces Motion 2018-04-02 and 2018-04-03 to effect the changes expressed in those motions. Voting for the Proposal (2) would fulfill the desire of 2018-04-02 and 2018-04-03.
