

**A Gift Called Life (Group Report December 1, 2018)**

All is going well at our home group we have 2 celebrations coming up. Gary B. 25 years December 9, 2018 and Nadine K. 30 years January 27, 2019.

### **MOTIONS DISCUSSED**

We discussed and voted "No" on Motion 2018-10-02: amend policy section 5:D:2:iii from policy handbook (now says) "The Peninsula Area Service Financial Report will be distributed at each regularly scheduled meeting. (Change to) by providing area secretary with an electronic copy to be included with area minutes.

Our home group has concerns: What would happen to the home groups that may not have access to internet and/or a printer to print out their own minutes and financial report prior to the meeting.

2018-10-03: Reimburse Area Inventory Chairperson for the cost of policy handbooks for the amount of \$286.42 Intent: Handbooks later to be sold for cost of \$10. He has submitted receipts in the amount of \$61.27 due on invoice one; \$225.15 due on invoice two. A payment plan would take almost one year and not allow any other expenses for the committee.

Our home group has concerns: Our policy states the procedure for obtaining reimbursement for money spent by a subcommittee and that procedure was not followed. The expenditure should have been brought to the area prior to spending the money.

Motion 2018-11-03 Motion Maker: Honesty 2nd by Paula M. Motion: Voting procedures: All votes are to be counted and if there are numerous or high number of abstentions, the motion gets discussed and sent back to groups to be decided. Intent: Have an understanding of motions and or policy changes, and not blown off.

We respectfully request that this report be sent out with the minutes for this meeting.
