

Hello,

Before we close the office for a long holiday weekend, we wanted to let you know we have posted the *2018 Conference Agenda Report* at [www.na.org/conference](http://www.na.org/conference). We are including a Fellowship survey with the *CAR* again this year. Any interested member can fill the survey out online from the link on the Conference page or the survey page: [www.na.org/survey](http://www.na.org/survey).

There is also an order form posted on the Conference page if you wish to order hard copies of the *CAR*. The *CAR* is \$7.50 this year, which includes shipping and handling. Be aware: If we are sending copies to an address in California, tax will be added.

As you may know, the deadline to publish the *2018 Conference Agenda Report* is [29 November](#). We will mail the report to Conference participants and regional service committees early next week, before the deadline. We will fill all other orders as soon as possible after we get them.

We will post PowerPoints and videos to help with your *CAR* workshops as soon as possible after publication. Thank you in advance for your patience.

We will include several other important items in the mailing to Conference participants. One is the registration and housing form that must be filled out by [1 March](#). Another is a memo that explains how to make travel arrangements. The third is the regional report form, which is [due by 15 February](#). All three of these items are also posted at [www.na.org/conference](http://www.na.org/conference). The regional report form and registration and housing forms are posted as downloads as well as fillable online forms.

We also want to let you know, in case you did not read it in *NAWS News* or [our latest product update](#), that we have reduced the proposed price increase scheduled for July 2018 from 7.5% to 6%, with the increase on the price of the Basic Text at 5%.

Happy Thanksgiving to our US members. Happy reading to all.
